# Help Us Save our Environment. One Tree at a Time.

We used to plant 30 million trees a year on rural, private lands in the province. This dropped to as low as 2 million. Experts tell us that in order to achieve 30 per cent forest cover and a healthy ecosystem for our future **we need to plant over a billion more trees.**

Trees Ontario is a not-for-profit organization that requires the financial support of individuals and organizations to implement its tree planting programs. Our goal is to support the planting of 10 million trees a year by 2015 and we need your help.

**Trees are essential to the health and well being of each and every one of us and our future generations.**

Monthly giving is the most efficient way to donate to Trees Ontario. It means our administrative costs are kept to a minimum, so more of your donation each month goes to planting trees. Your monthly donation will be processed on the 30th of each month, and we'll send you one charitable tax receipt at the end of the year.

- I've enclosed a cheque. If this is for a monthly donation mark "VOID" on it.
- I'll make my donation by credit card (please fill out information below).

I would like to **LEARN MORE** and receive Trees Ontario updates about tree planting, workshops, and events.

I would like to find out if I am eligible to **TAKE PART** in a tree planting subsidy program.

I've donated online at [www.treesontario.ca](http://www.treesontario.ca).
