### **Trees Ontario Green Leader Creates a Healthy Backyard Oasis**

Theo Van Asten, a retired broiler chicken farmer, has been named as a Trees Ontario Green Leader for his dedication to tree planting. Theo planted approximately 10,000 native trees on his 22 acre property with the help of the [Lower Thames Valley Conservation Authority](#) and Trees Ontario's [tree planting subsidies](#).

"Trees Ontario would like to congratulate Theo for his tree planting efforts. His enthusiasm for trees is apparent and we are very proud to honour him with this designation," said Rob Keen, RPF, Trees Ontario CEO. "He is a great ambassador for our program and tree planting in general."

## Calling all Landowners: Trees Ontario Needs You!

Trees Ontario is eagerly seeking landowners interested in planting trees on their properties. Help us reach our goal of supporting the planting of 10 million trees a year by 2015.

Subsidies available. Contact your local [planting delivery agent](#) or [Trees Ontario](#) to determine eligibility.

### Grow your own tree with Trees Ontario and OPG at The Royal

Trees Ontario is once again joining forces with [Ontario Power Generation](#) and Ontario Forestry Association at the [Royal Agricultural Winter Fair](#). The Royal is held at the Direct Energy Centre and takes place November 4–13, 2011.

Be sure to stop by our booth (Hall C #8711) to learn more about ways to reduce your environmental footprint, OPG's [biodiversity program](#) as well as Trees Ontario's [tree planting subsidy programs](#). Plus you can take home a free White Spruce seed kit\* to start growing your very own tree!

\* Limited supply. Tree seed kits will be distributed November 4-6 & 11-13. Seed kits may be on hand for distribution on all other days depending on availability.

### A Message from the Ontario Forestry Association

The [Ontario Forestry Association](#) has a long history of strong membership composed of landowners, forestry professionals, educators and the general public. For over 60 years the OFA has been focused on forestry education delivering information to landowners, educators, youth and the general public.

Join the OFA on February 10, 2012 for their [63rd Annual Conference](#) as they explore healthy forests for healthy people. OFA's annual conferences have become the largest and most respected forestry related conference in Ontario. Please consider becoming a member and support the OFA.
